Greek Roots

1. Mega - big
 2. Ologist - one who studies
 3. Penta - five
 4. Phys - nature
 5. Pyro - fire
- There will be a quiz on these words on **Friday**.

Vocabulary

Prevent - to keep from happening by taking action in advance.
Climate Change - a long term change in the earth's climate, especially a change due to earth's atmospheric pressure.
Acre - a common measurement for an area of land.
Context - the parts of a written or spoken statement that come before or follow a word or phrase and effect its meaning.
Quotient - the answer to a division problem
There will be a quiz on **Friday** over these words.

Learning

Reading - We will continue a unit on integrating information from multiple non-fiction sources.

Math - This week we will be working on multiplying decimals.

Social Studies - This week we will be continuing the unit on slavery we began last week.

Writing - We will continue our unit on argumentative writing this week.

Science - We will be learning about earth science. Our last DARE lesson will be on Wednesday.

"Be yourself, for everybody else is already taken."
- Oscar Wilde
